

SIMPLY 1-2-3® TEACHERS / EDUCATORS

Material - T. W. Phelan Ph.D. S.J Schonour author of 1-2-3 Magic Teachers
Presented by Applied Techniques Training.

SIMPLY 1-2-3® delivers early childhood behaviour support strategies to assist all children from 2 to 12 years to self-regulate their own behaviour, allowing for ease of transition through early years and providing consistency between home, FDC, long day care, kindy, prep, school, OSHC and outdoor activities, alleviating uncertainty and anxiety while developing a sense of agency.

1. Identify and Manage behavioural / emotional sensitivities;
2. Prompt and Encourage appropriate behaviour;
3. Strengthen relationships with all children.

1. Manage

Assist a child in making choices about their behaviour to allow a sense of being.

2. Encourage

Awareness of appropriate behaviours to increase a sense of becoming.

3. Strengthen

Relationships between staff, children, families to give a sense of belonging.
